

Roseburg Breakfast/Umpqua Lions Fir Grove Elementary School Scholarship

Explanation:

During the past several years, the Roseburg Breakfast Lions has dedicated funding on a yearly basis to encourage students from Fir Grove Elementary to continue their education post-high school. Sadly, the Breakfast Lions folded and the grant is now being managed through the Umpqua Lions. The grant will continue through the Spring of 2021.

Amount of Award:

Each applicant will receive an equal share of the amount donated to Fir Grove's graduating class. This will be determined by taking available funding and dividing it by the number of applicants, or if there is a smaller pool of applicants, the board may award up to \$500.

Please read the following instructions carefully:

The applicant must meet the following requirements to be eligible for the scholarship:

- +Graduate from Fir Grove Elementary
- +Graduate from Roseburg High School after attending Fir Grove during their fifth grade year.
- +Enter a post high school continuing education program (can be a college, technical school, etc.)

When to Apply:

By **April 11, 2019**, please submit the attached application. This will give the club an idea of what to award each student. If you have not yet decided on which college/technical school, submit the application anyway. This will enable the club to develop a budget from which to distribute the funding.

The award must be utilized anytime the first year after high school graduations. Please submit a class schedule and/or tuition and mailing address for the funds to be distributed.

You may drop your application off in the Career Center or send these documents to:

Jeff Plummer
Fir Grove Scholarship Chair
